Outgrown your old Daisy®? Maybe Dad can help you pick a new one.

You're bigger now. You could be ready for your second Daisy B·B gun. Dad can help you decide and then choose from the entire Daisy line. To find the one exactly right for you.

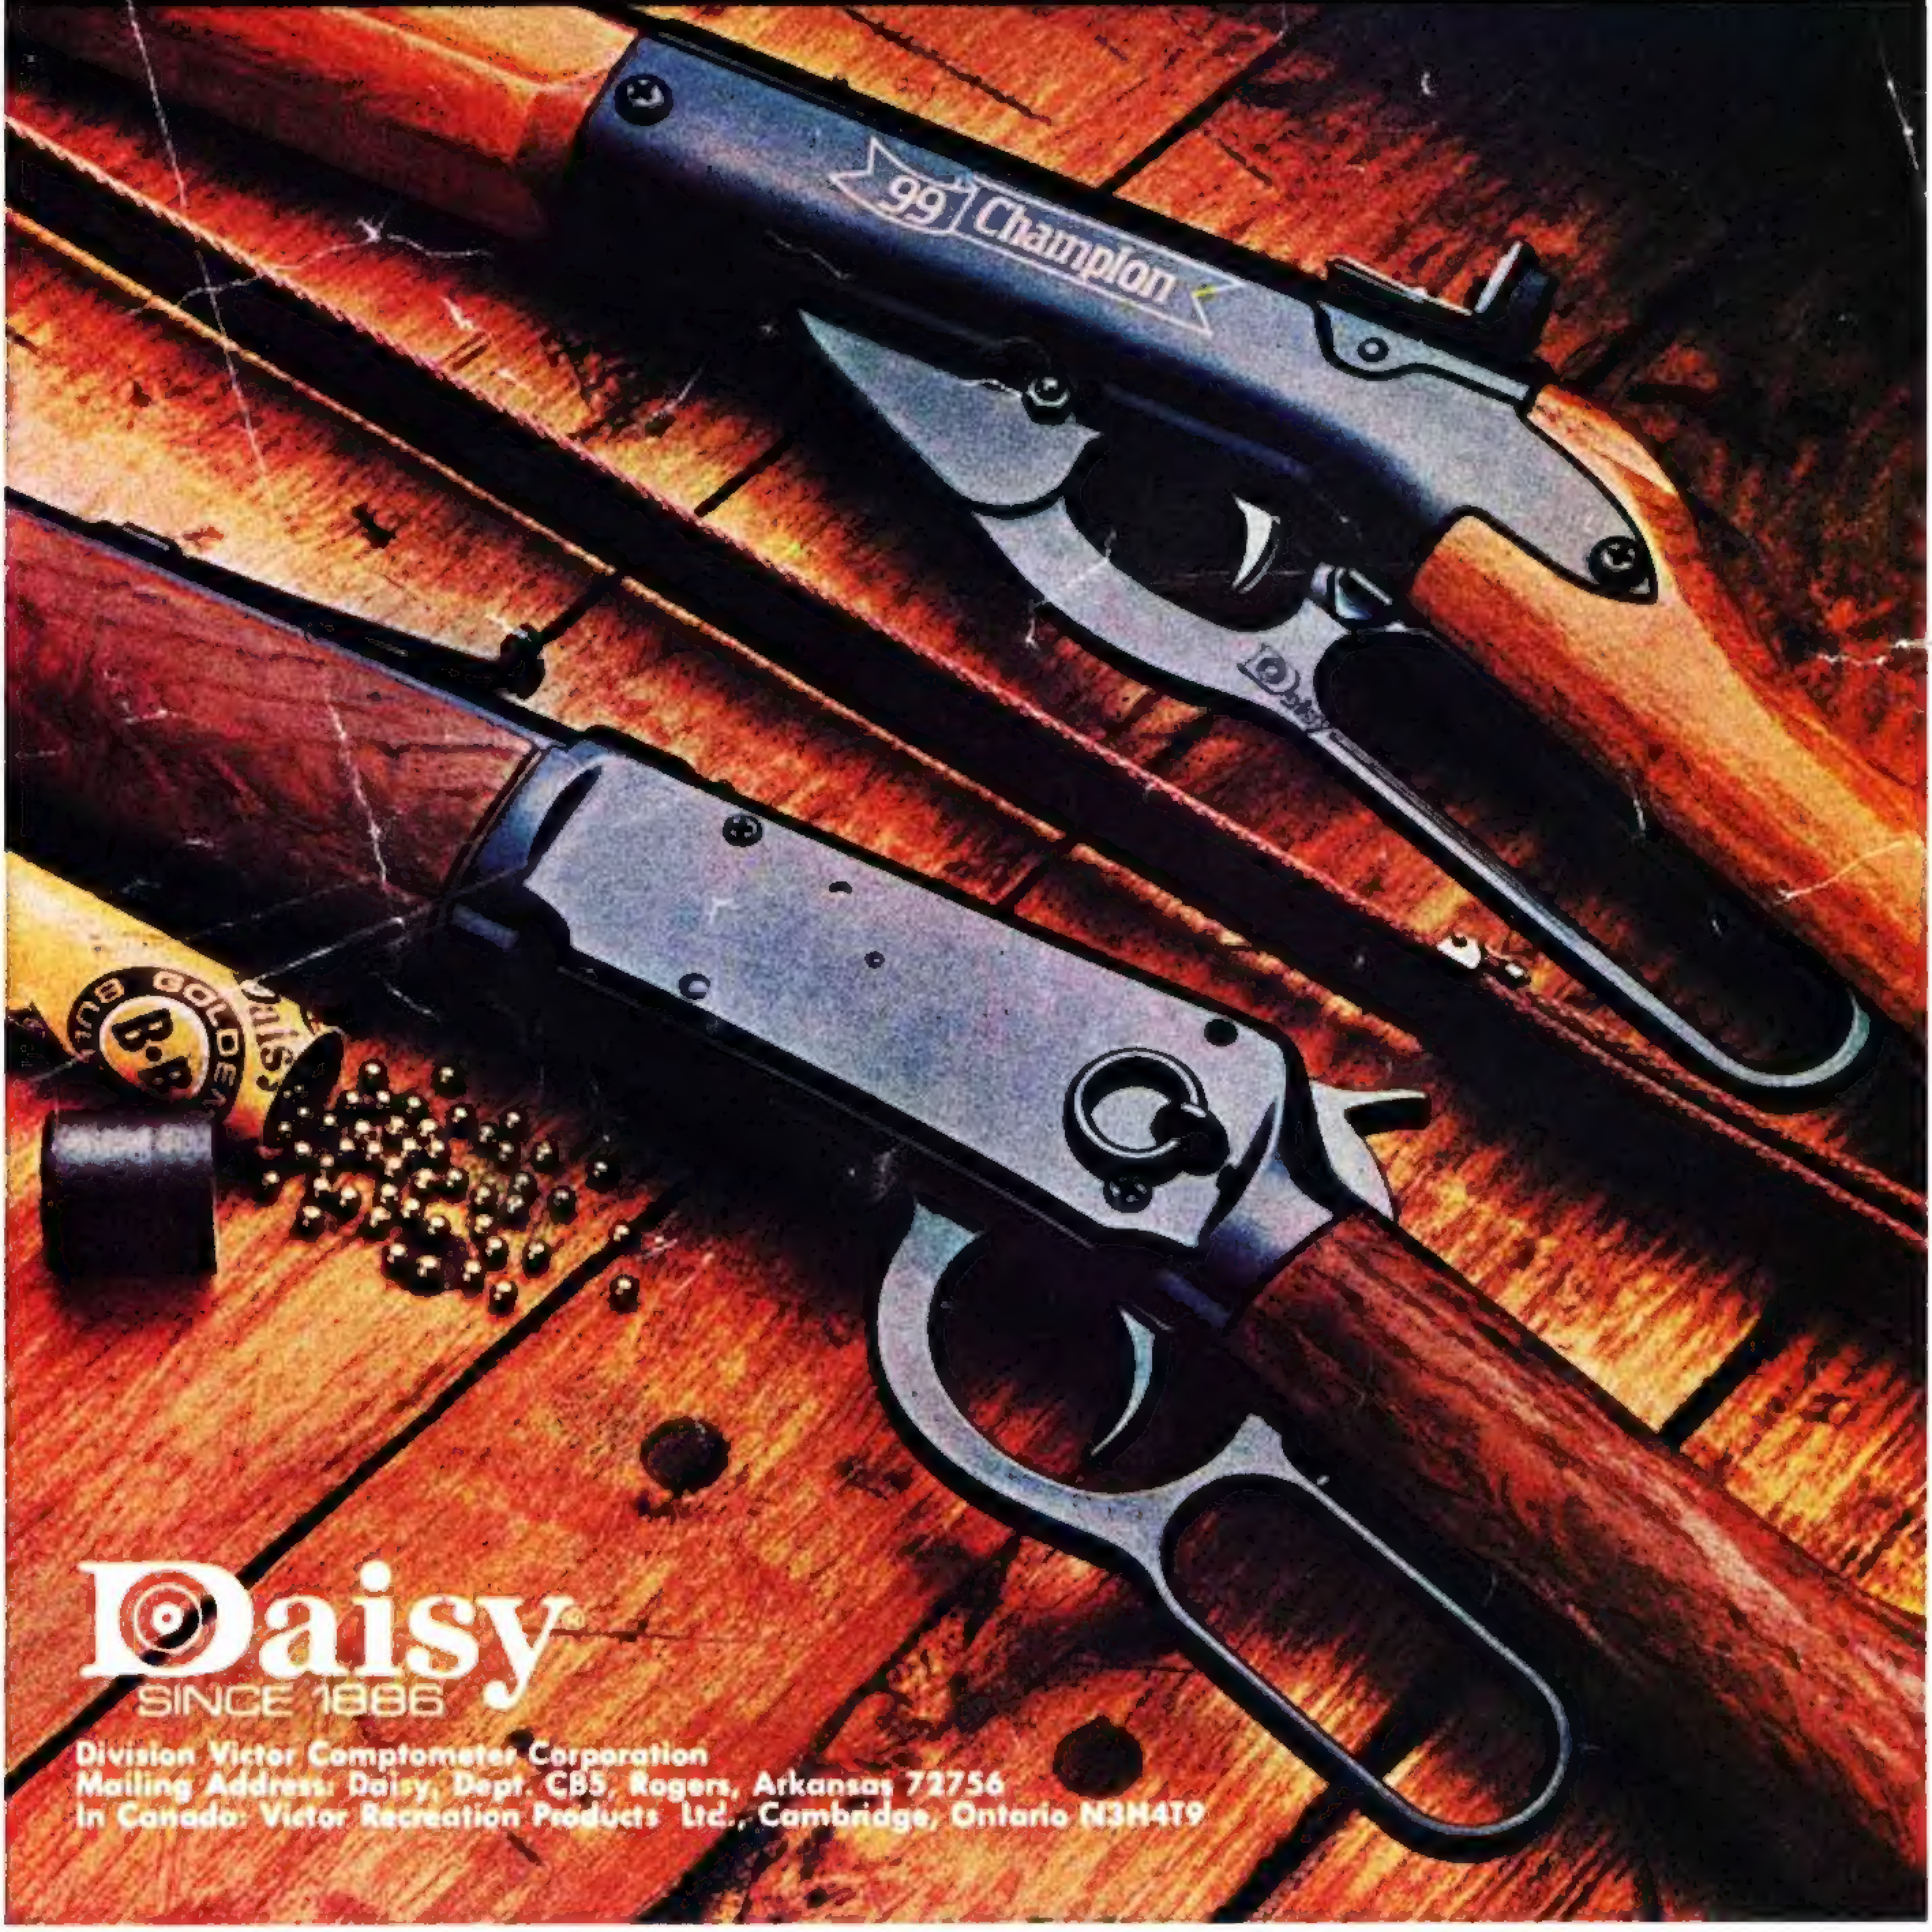

Imagine! A handsome new Daisy with long, lean lines and a real gun feel. With a man-sized Western or Monte Carlo stock. And the heft you can handle.

Power? Your new Daisy will have all you need for the fun you want. It'll be more accurate, too. Just because it feels so good and fits so right.

So talk it over with Dad. Then ask him to take you down to the store that sells Daisy B·B guns. You'll be able to try on all the Daisy models right for you, as well as see the whole exciting line of Daisy accessories.

Send for the new, super 24-page, full-color Daisy consumer catalog featuring air guns for ages 8-15. It's only 25c.
